ANN JEALOUS
*Psychotherapist with nearly 30
years work in Psychotherapy
and Diversity Training*

Combined Destinies

Using intimate stories, some from writers who have never before spoken of these highly charged issues, Jealous and Haskell have created a penetrating anthology sharing grief about racism.

CAROLINE HASKELL
*Founding Director of the CSUMB
Personal Growth and Counseling Center*

Join the **Friends of the Seaside Library** along with authors **Ann Todd Jealous** and **Caroline Haskell** of the book *Combined Destinies* for a discussion on race relations and the importance of these continuing conversations for every person of every race and color.
